You Are The Melody of My Life
You're Every Hope and Dream of Mine / You Made Them All Come True
That is Why It's So Really Easy to Be In Love With You
It's Just Really Easy

You Are the Rhythm My Heart Beats To
You Are Every Song My Soul Has Sung / You're the Music My Life Dances To
That is Why It's So Really Easy To Be In Love With You
It's Just Really Easy

You Are the Measure of My Life
You Serenade My Soul / With a Symphony of Love
That is Why It's So Really Easy To Be In Love With You
It's Just Really Easy

You are My Reason Just for Having A Good Reason
You are the Music My Soul Sings
That is Why It's So Really Easy To Be In Love With You
It's Just Really Easy

This song is played in the key of G and is the G Diatonic progression
